## **Database Woes**

Written by Jennifer Nodwell Wednesday, 11 August 2010 07:16 - Last Updated Monday, 23 August 2010 05:23

I've noticed a few duplicates in the database. I'm working to merge the duplicated people. If you spot a duplicate, please don't hesitate to let me know! Thanks.

Update (23 Aug 2010): I think I've gotten them all now. Do let me know if you spot anything amiss.
